**Paola Mardo:** Hey it's Paola Mardo here at In Proximity and Proximity Media. We're working hard on our next episode so there won't be anything in the feed today. But stay tuned. Follow the show in your favorite podcast app so you get notified when our new episode drops. You can also subscribe to our YouTube channel and, of course, follow us on social media. We're @ProximityMedia.

Our next episode will be our final episode of this first season of In Proximity. So before it comes out, we have two requests. First, we want to know more about you, our listeners. We want to know what you like about the show and what else you want to hear. So please visit [proximitymedia.com/podcasts](https://proximitymedia.com/podcasts) and take our listener survey. It takes two minutes and it will really help us make this show even better.

Second thing. We're going to take a little break after our final episode of the season to reflect, rework, and record more episodes of In Proximity. We're also looking for sponsors or partners who believe in the show like we do and who want to help us build and bring these intimate conversations about craft, career, and creativity to the widest audience possible. Or maybe even partner with us on future Proximity Media podcasts. If that's you, send an email to [audio@proximitymedia.com](mailto:audio@proximitymedia.com).

Thanks for your support and for listening to IN PROXIMITY.
